W. F. FREDERICK MUSIC CO.,
D. G. PFEIFFER, Manager. 1328 F Street.

We owe our business success to our belief in the honesty of the great majority of people. There are bound to be exceptions, but we believe in giving the benefit of the doubt, and our confidence is seldom abused.

A customer comes to our store and shows that he is looking for the things which will make his home comfortable and his family happy. He wants reliable goods and he's careful in watching prices. He tells us that he can spare so much each week or month from his salary.

That man will get all the help we can give. He's honest in his intention and we'll trust him without asking for a penny of the bill when he buys. We make him feel that we trust him by taking his promise instead of requiring a contract or a lease or note. He appreciates such treatment and is "square" with us.

That's our way of helping people—and it wins. You can have the same help.
